The Return of Christ (Part Two)

(Revelation 19:11-21)

A low-poly, geometric illustration of a lion's face, rendered in various shades of brown and gold. The face is composed of numerous triangular facets, creating a textured, crystalline appearance. The lion's eyes are dark and almond-shaped, and its mouth is slightly open, showing a dark interior. The overall style is reminiscent of a stylized, ancient or heraldic representation of a lion's head.
