A New Heaven and New Earth

(Revelation 21:1-8)

"It is no coincidence that the first two chapters of the Bible begin with the creation of the heavens and the earth and the last two chapters begin with the re-creation of the heavens and the earth. All that was lost at the beginning will be restored at the end—and far more will be added besides. The power of Christ's resurrection is enough not only to remake us, but also to remake every inch of the universe—mountains, rivers, plants, animals, stars, quasars, and galaxies."—Randy Alcorn
